

Ministry Profile

Kate Jordan & SOUL VENTURE

MISSION STATEMENT

To serve as a bridge between God and a lost world (2 Cor. 5: 16-21).

PHILOSOPHY

Jesus Christ came to earth to seek and save the lost (Luke 19:10). Thus, Soul Venture's primary objective is to use music and scriptural teaching to reach the lost and help prodigals return home. We believe that God has given us the ministry of reconciliation (2 Cor. 5:18-19). Therefore, we use music and scripture to link people with God, to build up the church, to encourage, exhort, and motivate believers to a higher level of spiritual service and maturity (Eph. 4:11-12).

CORE VALUES

As a Christian ministry we value . . .

- ***Creativity*** as an effective way to reveal the personality of God.
- ***Love for God and people***, expressed both in word and in deed.
- ***Excellence in ministry*** because it honors God and inspires people.
- ***Making disciples*** and helping them become effective disciple makers.
- ***Corporate worship and biblical teaching*** for the well being of the body of Christ.
